Do da-da da-da da-da-da da da-da da-da da-da-da
Do da-da da-da da-da-da da da-da da-da da-da-da

Standing on the edge of the cliff
And I'm thinking it through my mind
I'm afraid that I'm about to slip
Cos my body is out of time
And I'm thinking thinking thinking thinking
Thinking till I'm nearly dead
Do you remember when you were young
Do you remember what your mother said

She said don't ever think ever think ever think too much
You don't ever think ever think ever think too much
You don't ever think ever think ever think too much
You don't ever think ever think ever think too much

Obsession is a terrible thing
Does it happen to everyone
Cos mother nature comes with a sting
And its bound to get everyone
And I'm lyin I'm lyin I'm lyin awake
Lyin in my burned out bed
Do you remember when you were young
Do you remember what your mother said

She said don't ever think ever think ever think too much
You don't ever think ever think ever think too much
You don't ever think ever think ever think too much
You don't ever think ever think ever think too much

And I think again
And I think again
It's just the thinking I don't understand
Its all hopes glued to wires
My persecution is on fire

Do do-da da-da da-da-da da da-da da-da da-da-da
Do do-da da-da da-da-da da da-da da-da da-da-da
Don't ever think ever think ever think too much

You don't ever think ever think ever think too much
(x12)
