There's something going on 'round here, in this neighborhood  
But what it is i'm not quite sure, in this neighbourhood  
I just can't put my finger on, what makes me bite my  
nails,  
and later on i feel the same, as though i would.  
The people never say hello, they just walk on past  
I try to look inside those cars, but its blackened glass.  
I hear the screams late at night, behind my bedroom  
wall  
And later on i'll do the same, and hear the drunk man  
call

Well i know i'll never leave , 'cos there's no way out for  
me  
Now and then i tend to dream, dream of what might be

Well i know i'll nver leave, cos there's no way out for  
me.  
There's a fear that i know, If i left where would i go?

The pavement has a cactus skin, and a knife like edge.  
My feet keep sticking to the floor, where my toes have  
bled.  
I hear the screams late at night , behind my bedroom  
wall.  
And later on i'll do the same, and hear the drunk man  
call.  
Where's the love that i once had? It's dying somewhere  
in the past  
I sold my TV, radio. To someone, someone i don't know

Well i know i'll never leave , 'cos there's no way out for  
me  
Now and then i tend to dream, dream of what might be

Well i know i'll nver leave, cos there's no way out for  
me.  
There's a fear that i know, If i left where would i go?

Well i know i'll never leave , 'cos there's no way out for

me

Now and then i tend to dream, dream of what might be

Well i know i'll nver leave, cos there's no way out for  
me.

There's a fear that i know, If i left where would i go?
