I can't get this pressure point outta my head,
I can't get this pressure point outta my head,
I feel it in work, ya know i feel it in bed,
I can't get this pressure point outta my head,

I've paid all my bills and i've acted so well,
I ain't been cheating there's nothing to tell,
So why all this pressure? I don't understand,
When all of my neighbours, i lend them a hand.

Doctor oh doctor, i'm willing to learn,
Why all of my bones, well they toss and they turn,
Mother, oh mother im begging you please,
To rid me of madness and cure this disease.

A weary soldier, well i have become,
With all of this pressure, my mind's on the run,
Oh maybe a change and it's all for the best,
Or maybe it's something to get off my chest.

Doctor, oh doctor, i'm begging you please,
To rid me of madness and cure this disease
Mother oh mother, i'm willing to learn
Why all of my bones, well they toss and they turn,

Pressure, Pressure, Pressure, Pressure,
Pressure, Pressure, Pressure, (x4)

I can't get this pressure point outta my head,
I can't get this pressure point outta my head,
I feel it in work, ya know i feel it in bed,
I can't get this pressure point outta my head,

Pressure, Pressure, Pressure, Pressure,
Pressure, Pressure, Pressure, Pressure,
Ahhhhhhhhhhhhh
Pressure, Pressure, Pressure, Pressure, Pressure,
Ahhhhhhhhhhhhh
Pressure, Pressure, Pressure, Pressure, Pressure,
Pressure, Pressure, Pressure, Pressure, Pressure,
Pressure, Pressure, Pressure,

Ahhhhhhhhhhhhh

Pressure, Pressure, Pressure, Pressure, Pressure,

Ahhhhhhhhhhhhh

Pressure, Pressure, Pressure, Pressure, Pressure,
