What can i do? What can i say?
To make you want me more
To have your love and share your heart
That's all i'm asking for
I've been around the block so many times,
and i needed a place to start
I only want what's right for you and what could be right
for us

I hear the same thing all the time
and you know that i don't care
Well i don't like the way your hanging around
and i sure don't like your hair

ooohhh, ooohh
Why won't you give me your love
ooohh, ooohh
why won't you give me your love

I'll chain you up.I'll make you mine,i'll keep you locked
downstairs
With all the bugs and all the gnats, i feed you rodent
hair.
I keep you in my cellar safe, oh i'll keep you there till
dawn
I wait until the sun comes up and i poke and prode you
more.

I know your tired and your out on a date
well that don't mean much to me
And when i see you out of town,
i'm gonna hide so you can't see

oohh, ooh Why won't you give me your love?
oohh,ooh, Why won't you give me your love

why won't you give me your love?
Etc...
