Pain In My Heart by Zoo

First verse

Here I am alone in this empty room and I
let my mind just fly me to the end
thoughts of you still linger in my memory
wondering why my life is not that fair

Refrain:

I could still recall
those memories of you
the joy and all the laughter
the love that we've been through
oh, i cant believe you're gone

Chorus:

I don't want to remember the things we used to do
all the things that remind me of you,
I don't want to hear those songs,
those songs we used to sing
cause i don't wanna feel the pain in my heart

Second Verse:

Talking to myself for reasons i can't find
findin' out why everything went wrong
tears falling down my cheeks that i been trying to hold
I just don't know if could still do on

Second Refrain:

I wanted you to stay
the tears began to show
you said you care for me
but, then you had to go
and now i know you're gone

Repeat Chorus 2x

' cause i don't wanna feel,
yeah i dont wanna feel
the pain in my heart...
