It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith

Well, I tried so many times to find a way
And I tried so many times to prove my faith
Well, I tried so many times to show you the way

It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith

Can you give me the love I need this day
Will you hold me close at night, I pray
Is this passion I have for you eternal faith

It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith

Will you give me the chance to prove my faith
Or will I just get in my way and sink in shame
I want to feel your skin and kiss your face

It's a River of Dreams - love and faith
It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith

Will my secrets of shame stay hidden away
Can you give me the love and faith to change
Together we can ride this river, I pray

It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith
It's a River of Dreams -- love and faith
