Singing Angel fly into the light  
Singing Angel be with thee tonight

I see you here  
Please don't cry  
For you know  
This is not goodbye

Singing Angel fly into the light  
Singing Angel be with thee tonight

Singing Angel fly into the light  
Singing Angel be with thee tonight

I feel the light under my wing  
Guiding me to heaven  
As I sing

Singing Angel fly into the light  
Singing Angel  
I'm with God tonight  
Singing Angel fly

Instrumental ending (with lyrics)

Singing Angel fly  
Singing Angel fly  
Fly into the light  
Fly into the light  
Singing Angel fly  
Fly into the light  
Fly to thee  
Wings are free  
Singing Angel fly  
Fly high into the bright light  
Be with God tonight  
Singing Angel fly  
Singing Angel fly  
Singing Angel fly
