(Chorus)

Lookin' At Your Picture Now,
And It hurts, I Fear It,
But I Can't Put The Picture Down,
Cuz It Works, I'm Tearish,
When I Hear You'll Move Away,
It Hurts To Hear It,
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,

(Bridge)

Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Always Know That I'll Love You Girl,

(Verse 1)

Let's Be Honest Now,
This Ain't A Movie,
I Want You Now,
But You Got This Plan On Moving,

Away From Me,
Tryin' To Do My Best Act Patiently,
I'm Waitin' These Days,
But They Seem To Keep On Hattin Me,

Your Undecided But,
What We Waitin' For?,
Put It On Auto-Pilot Cuz,
That's What Fate Is For,

I'm Hattin' These,
Harsh Emotions I'm Makin' Lately,
Vacancy,

Inside Of My Heart It's Racin' See, (And Now I'm)

(Chorus)

Lookin' At Your Picture Now,
And It hurts, I Fear It,
But I Can't Put The Picture Down,
Cuz It Works, I'm Tearish,
When I Hear You'll Move Away,
It Hurts To Hear It,
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,

(Bridge)

Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Always Know That I'll Love You Girl,

(Verse 2)

Let Me Promise Now,
I Got You Truly,
I Need You Now,
But You Got This Chance On Choosing,

On Aching Me,
Wanna Be Friends Or Taking Me?
It's Breaking Knees,
Pain But They Seem To keep On Shakin' See,

We're Undecided But,
Superman Take you, Sure,
Privet Jet To An Island So,
Will You Take Me More?,

I'll Break You Free,
Toss Devotion, I'll Take Your Naked Sleeve,
Vacancy,
Inside Of My Heart It's Racin' See, (And Now I'm)

(Chorus)

Lookin' At Your Picture Now,
And It hurts, I Fear It,
But I Can't Put The Picture Down,
Cuz It Works, I'm Tearish,

When I Hear You'll Move Away,
It Hurts To Hear It,
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,

(Bridge)

Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Always Know That I'll Love You Girl,

(Verse 3)

One..
Day That We Spent Together Was Like Already,
Two..
Years Together That We Spend With A Harmony,
Three..
Days, Was The Day That You open Hearted Me,
For The Rest Of My Time,
I'm Waitin' For You, (And Still I'm)

(Chorus)

Lookin' At Your Picture Now,
And It hurts, I Fear It,
But I Can't Put The Picture Down,
Cuz It Works, I'm Tearish,
When I Hear You'll Move Away,
It Hurts To Hear It,
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,

(Bridge)

Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit
Always Know That I'll Love You Girl,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Cuz Your My Perfect Spirit,
Always Know That I'll Love You Girl.
