I'm in need of someone today

I'm a cruiser

I'm a cruiser

Stop a while and listen to me

You and I can sit down for tea

I'm a cruiser

Oh baby, I'm a cruiser

When I see someone who's looking so fine

You can't believe I react every time

I scream, ooouuhh

You sexy thing

You are the finest thing I've seen today

I am so glad that you passed by my way

I'm a cruiser

Oh baby, I'm a cruiser

Yes, I'm taking you out to better believe I've got no doubts

I'm gonna get next to you if it's the last thing I do, I'm a cruiser!

Choosing everything I see!

(I'm a cruiser)

Ooh, you look so fine to me!

(I'm a cruiser)

Yeah yeah yeah, I'm a cruiser

When I see someone that I like

In a car or riding a bike

I'm a cruiser

I'm a cruiser

I think you are sexy and sweet

One hot date would be such a treat

I'm a cruiser

Oh baby, I'm a cruiser

Yes I'm in need of some band-aid today
