I'm not right for you but I love you
so forgive me for dreaming
what it would be like
if you felt something too

Dancing together just feels so right,
my hands touching you...
Oh honey come with me tonight
if you feel something too

I can't read minds,
please give me a sign...
Oh how you tease...
Maybe it's like the playground
and this means
you feel something too

No commitment in sight,
it just wouldn't be right
If only this feeling didn't burn...
cuz I know I'm not right for you
even if you feel something

So go back to your steady lover,
raise a family and grow old together,
and forget you felt something too
You felt something too
