Youâ€™re awesome, I love you
The simplest yet truest words
I could ever say to you
Except that words obscure the truth
when theyâ€™re in plain view
Cuz you're awesome, I love you

In my sickness I dreamed of you,
your presence enough to carry me through
Usually my mind makes such crazy scenes
but this time just your arms wrapped around me
The simplicity surprised me
even though I always knew

Who knows if paths meet again
Does it matter when words obscure the truth?
Maybe one day I will say this to you
and youâ€™ll know what I really mean is
youâ€™re awesome, I love you
