.i was so stupid
and i even knew it
but i couldn't help myself from falling
i couldn't see straight
love shattered my days
cupid had shot me blind
and for so long all i could see was his
perfectness
until now i couldn't see what's
underneath

cause underneath his blue eyes
there's a hole of all his lies
underneath his perfect lips
that hide my kiss
there's a hole of darkness
and to think i'd ever love someone
who was so caught up
pick me up and push me down
now i'm falling

he was so perfect
and i was so worthless
but now it's the other way around
cause i can see through him
i can see the true him
so what in the crowd
all that i could see are his flaws
his mistakes
that i couldn't see before
cause it's one thing pretending
one thing never ending
finally he's nothing more

that's what's underneath his blue eyes
there's a hole of all his lies
underneath his perfect lips
that hide my kiss
there's a hole of darkness
and to think i'd ever wanted someone
who was is so haunted

pick me up and push me down
now i`m falling
i`m falling
i`m falling
falling

cause underneath his blue eyes
there`s a hole of all his lies
underneath his perfect lips
that hide my kiss
there`s a hole of darkness
and to think i`d ever love someone
who was so caught up
pick me up and push me down

underneath his gold hair
he`s got secrets stashed there
underneath his perfect smile
a wonderful while
there`s a hole of heart chips
and to think i`d ever wanted
someone who is so haunted
pick me up and push me down
now i`m falling
i`m falling
i`m falling
falling
