This Great Big Worldâ€™s a wide eyed wonder
Life is fast as lightning loud as thunder
So breathe it in hold on tight Come on enjoy the ride
Time down here is only just borrowed
Forget yesterday donâ€™t worry bout tomorrow
Take your aim you get one shot so give it all youâ€™ve
got
should you ever forget what itâ€™s all about
Stop for a minute and take a good look around

Itâ€™s spendin time with your friends every now and
then

Try to take it all in this beautiful life itâ€™s chasing
down your dreams With all you believe even when
theyâ€™re out of reach

Itâ€™s a fun in the sunshine big bright blue skyâ€¦

Beautiful lifeâ€¦

Beautiful Life

So dry your tears wipe away the worry

Dark clouds come and go in a hurry

Live to learn and learn to never let a chance pass you
by

And should you ever find your back against the wall

Stop for a minute and know what matters most of all

Itâ€™s spendin time with your friends every now and
then

Try to take it all in this beautiful life itâ€™s chasing
down your dreams With all you believe even when
theyâ€™re out of reach

Itâ€™s a fun in the sunshine big bright blue skyâ€¦

Beautiful Lifeâ€¦Beautiful Lifeâ€¦..Beautiful Life

Should you ever forget what itâ€™s all about

Stop for a minute and take a good look around

Spend some time with your friends every now and then

Try to take it all in this beautiful life

And chase down your dreams with all you believe

Even when theyâ€™re out of reach

Itâ€™s a fun in the sunshine big bright blue sky

Beautiful Life

Itâ€™s a wonderfulâ€¦â€¦ Itâ€™s a beautiful

â€¦â€¦â€¦(Beautiful Life)

Itâ€™s a wonderfulâ€¦..Such a beautiful life (beautiful life)

Itâ€™s a wonderfulâ€¦..Itâ€™s a beautifulâ€¦..Itâ€™s a wonderfulâ€¦. such a beautiful life
