I am! I Can!

I was created for You, to give you praise
To live my life according Your word and grace
Your handiwork, so perfectly I'm formed
A masterpiece was all you aimed for

Chorus

I am beautiful, confident, original
And I know that I Can do all things in You
I am powerful, just as you made, a conqueror
I can do all I know that I'm created for
Created for

I was created by You, just by Your word
And came with all I needed, to carry through
All that You have purposed me to be
No mistakes but true identity

Chorus

I am beautiful, strong enough, worthy of
And I know that I Can find all things in You
I am powerful, just as you made, a conqueror
I can do all I know that I'm created for
Created for

Bridge

When I look in the mirror
Reflections can be confusing to me,
But I am made in Your Image
Just as You intended for me

Chorus

I am beautiful, confident, original
And I know that I Can do all things in You
I am powerful, just as you made, a conqueror
I can do all I know that I'm created for
Created for

I am beautiful, strong enough, worthy of
And I know that I Can find all things in You

I am powerful, just as you made, a conqueror
I can do all I know that I'm created for
Created for
