There is strength within the sorrow,  
There is beauty in our tears  
You meet us in our mourning,  
With a love that casts out fear  
You are working in our waiting,  
Sanctifying us  
When beyond our understanding,  
You're teaching us to trust

#### CHORUS

Your plans are still to prosper,  
You have not forgotten us  
You're with us in the fire and the flood  
Faithful forever,  
Perfect in love  
You are sovereign over us

You are wisdom unimagined,  
Who could understand your ways  
Reigning high above the heavens,  
Reaching down in endless grace  
You're the Lifter of the lowly,  
Compassionate and kind  
You surround and You uphold me,  
Your promises are my delight

Even what the enemy means for evil  
You turn it for our good,  
You turn it for our good and for your glory  
Even in the valley You are faithful  
You're working for our good,  
You're working for our good and for your glory
