Instincts and instances  
seductions defenseless  
awareness of questioning  
but we're still testing

Here we go, you know  
bonobo style  
all from the same dirt  
one global child  
one common urge to go  
pogo wild  
bonobo style

Run wild!  
that's what we do  
we take what we want  
we'll jump inside of you  
knock it out the socket  
let the light shine through  
freedom in our feeding time  
nights at the zoo  
from our bites to bruises  
orgies and twosomes  
cock the hammer  
and let the load go  
a quick bang,  
a broken bottle of soco  
up against the wall  
panfunktual bonobos

Here we go, you know  
bonobo style  
all from the same part  
one global child  
one common urge to go  
pogo wild  
bonobo style

Look at this place  
see how it's changed  
I fade away into this rain  
i'm like anyone, anyone

Look at you now  
you're still the same  
I bleed away into this rain  
you're like anyone, anyone
