We make things better, we make things hard  
A shelter of sorrow grows in the dark  
Oh, how long must the soul survive  
Under the weight of these haunted pines?

Set the woods on fire  
Set the woods on fire, now

Like [Incomprehensible] and the thin blue line  
You're not guilty but you're doing time  
Oh, how long must the soul endure  
To find silences on [Incomprehensible]?

Set the woods on fire  
Set the woods on fire, now

We make things better, we make things hard  
We make things better, we make things hard, no  
Oh, how high will the flames reach?  
Behind every tree is just another dream

Set the woods on fire  
Set the woods on fire  
Set the woods on fire  
Set the woods on fire, now
