"Hounds"

We are the false prophets
The kings of sin
We will rest when your Mother Earth is barren

Hounds from Hell

We are the final judgement
The divine apocalypse
We will rest when your Mother Earth
Slits her wrists

Arise
From the ashes of Hell be born
For her lies,
Let her soul from flesh be torn

We bathe her in desolation
For she deserves to rot
She tied the noose herself
We just tightened the knot

We watch as the earth goes up in flames (Flames)
Destruction courses through our veins
We watch as the earth goes up in flames (Flames)
Destruction courses through our veins

We are the nameless demons
The hounds from Hell

We watch as the earth goes up in flames (Flames)
Destruction courses through our veins

We are the hounds
Lapping up the blood of an innocent world
An innocent world

Hounds
Hounds from Hell
Hounds
Hounds from Hell
