Seeking, searching
Trying to find
Waiting, watching
I don't know why
Seeking, searching
Trying to find
Waiting, watching
I don't know why

Chasing, running
Trying to hide
Praying, hoping
I don't know why
Chasing, running
Trying to hide
Praying, hoping
I don't know why

Caring for those
Who made us cry
Still here waiting
I don't know why
Seeking, searching
Trying to find
Waiting, watching
I don't know why
