Is it all a dream  
What must I believe  
Words are never ending  
But meanings seem to disappear

A speck inside eternity  
I stare into the blue  
Don't know where I'm going  
Don't know where I belong

Trying to find, to find a way to go  
Trying to find, to find a way to go  
Trying to find, to find a way to go  
Trying to find, to find a way to go

So lost, so lost, so lost, so lost  
So lost, so lost, so lost

Can you hear the emptiness  
The silence within  
Can you even hear me  
I'm calling out to you

Trying to find, to find a way back home  
Trying to find, to find a way back home  
Trying to find, to find a way back home  
Trying to find, to find a way back home

So lost

So lost

Trying to find, to find a way back home  
Trying to find, to find a way back home  
Trying to find, to find a way back home  
Trying to find, to find a way back home

Trying to find, trying to find, trying to find  
Trying to find, trying to find, trying to find  
Trying to find, trying to find, trying to find  
Trying to find, to find a way back home
