CHORUS

I don't wanna hurt anymore
The pain is so unbearable inside
Missin how you used to hold me close
But then the tears would fall each night
Now the thought of you with someone else is tearing
me apart
But when I think of us together, boy
I'm better off alone

VERSE ONE

You left me in a daze
Couldn't see my up from down
Caught up in your foolish ways
My whole life became your playground
You was playing round town with Shelly and Rebecca
and Lisa and all ah de gyal dem
I should be happy to see you go
But my heart keeps sayin no

CHORUS

I don't wanna hurt anymore
The pain is so unbearable inside
Missin how you used to hold me close
But then the tears would fall each night
Now the thought of you with someone else is tearing
me apart
But when I think of us together, boy
I'm better off alone

VERSE TWO

Can't believe I wanna let you back in
I'm an addict for you babe
Your lovin is my sweetest sin
Caught up in your rapture again
But I remember you with Shelly and Rebecca and Lisa
and all ah de gyal dem
It's so hard to know it's true
That I'm better off without you

CHORUS

I don't wanna hurt anymore
The pain is so unbearable inside
Missin how you used to hold me close
But then the tears would fall each night
Now the thought of you with someone else is tearing
me apart
But when I think of us together, boy
I'm better off alone

BRIDGE

See how you break me break me make me wanna hate
me
But still I love you love you what the hell can I do
Feels like I'm going crazy crazy without my baby
Yuh tink say you a bad man bad man not without this
woman
Baby, I'm gone

CHORUS

I don't wanna hurt anymore
The pain is so unbearable inside
Missin how you used to hold me close
But then the tears would fall each night
Now the thought of you with someone else is tearing
me apart
But when I think of us together, boy
I'm better off alone
