Did you ever see a bunch of groovy guys, hanging  
round in rhythms at night  
We don't need excuses and no alibies, 'cause we're  
feelin' alright

Every day living grabs you all day long, now and then  
it's bringing you down  
Better in the evening play a funky song, that will take  
you higher

(We are) old men, wise men, rich men, we like rock and  
roll  
(And we'll never stop) grown men, strong men, happy  
men, we will keep it on  
(We're gonna give it to ya) old men, wise men, rich  
men rocking in the night  
(Til the end of the day) grown men, strong men, happy  
men we will get it right

Started many years ago we never knew, was there any  
music to stay  
Funny what a bunch of older men can do, gonna take  
you higher

(We are) old men, wise men, rich men, we like rock and  
roll  
(And we'll never stop) grown men, strong men, happy  
men, we will keep it on

We are here/ old men, wise men  
We are here/ old men/ wise men  
Yes, we are here/ old men, wise men

Did you ever see a band that came alive, tryin' just to  
give it to you  
Hope we gonna find the nerve and make you thrive, we  
will take you higher

(We are) old men, wise men, rich men, we like rock and  
roll  
(And we'll never stop) grown men, strong men, happy

men, we will keep it on  
(We're gonna give it to ya) old men, wise men, rich  
men rocking in the night  
(Til the end of the day) grown men, strong men, happy  
men we will get it right
