Have I gone and failed you?  
Have I gone and let you down?  
Have I loved?

Have I not been gracious?  
Are my hands not strong enough?  
Did I lose my patience?  
Have I loved?

Everything I own  
Owns me now  
Everyone I love  
Holds me down

Are my plans too heavy?  
Did I hold you long enough?  
Did I not seem ready?  
Have you had to rise above?

Everything I own  
Owns me now  
Everyone I love  
Holds me down  
Holds me down

Have I left things broken?  
Did I not speak loud enough?  
Were there words unspoken?

Have I loved?  
Have I loved?  
Have I loved?
