I need a god
Somebody I can believe in
I need savior
Someone to give me peace of mind

I need a love
Someone to give my heart to

I need a home
Something I can go back to

I need some roots
Something to keep me grounded

I need to see a miracle
Something to keep me astounded

I need a refuge from the deluge of daily life

I need some good memories
Something to look back on and smile

I need a confidant
Somebody I can talk to

Could it be you?
Could it be you?

And then I found you

I'm blind
Open my eyes that I may see
The beauty of God in front of me

Open my ears that I may hear
The voice of the Lord speak in my ear

I am a mute so give voice
I am a prisoner
Give me a choice

And I will choose to start anew
God, I choose to worship you
