Yeah  
He he  
Check me out  
Many said I'll never do it  
But holy shit  
Look at me  
Fences linin' up  
And now promoters finally  
Look at me  
And yea, I've been working home  
And yea, I just put an over time  
Grantin' when you sleep at night  
Talkin' 'bout an over budget  
All ... the flaws I write  
Everybody take a peak  
I'm tryin' to make you understand  
So everybody, take a seat  
And listen, in touch with how we livin'  
And I know I stay high but up  
I'm not givin' a fuck with these haters  
Probably 'cause we're different  
And they know I spit venom  
By this tongue before you ...  
Girl, keep spittin', even though my lungs stop  
Know I got drive over these sponge baths  
Ha  
Yeah  
I swear it's crazy how we made it here  
And everything that we imagined how we made it real  
Yeah  
'Cause dreams come true  
All I do is win  
So what I really got to do is never lose  
...  
It's the ...  
It's the year 2012  
It's the year when ...  
Tell them that we're here  
Dead sack  
It's the fair 2012  
It's the year ...

Tell them that we're here  
Dead sack  
It's the fair 2012  
It's the year ...  
...  
Yeah  
Tell them that it's on  
Yeah  
Tell them that it's on  
This is what it's life  
Everything I've ever worked ...  
You talkin' pretty well  
You know I do deserve more  
But there will come another trip  
I always do me.....  
I'll try to do history  
And write it in these loose ...  
I'm pretty quiet when  
I'm not beside the microphone  
I made a promise  
That I'll never leave the mike alone  
I got a lot to say  
And all of it is positive,  
To make a change  
And make some change  
To buy my mama a crib  
See I ain't rappin'  
For these bitches  
All these women  
I'm just hopin'  
That the sense I'm makin'  
So be forgiven  
Just the real:  
Have kids, tryin' to make it  
Out this livin'  
Of my talent that my mama  
Once told me I was given  
So I  
I write these lines till my hands bleed  
I can't report the street  
I never had a plan B  
I'm kinda happy that  
My Haters can't stand me  
.....

Tell them that it's on  
It's the year  
It's the ...  
It's the year 2012  
It's the year when I  
Tell them that we're here

Dead sack  
It's the fair 2012  
It's the year ...  
Tell them that we're here  
Dead sack  
It's the fair 2012  
It's the year ...  
...  
Yeah  
Tell them that it's on  
Yeah  
Tell them that it's on
