Stupid fucking bitch.
My back has an itch.
I will rape you bitch.
You are a fucking snitch.
Don't use you being 7 as an excuse.
I am going to rape your underaged anus.
Don't fight it, I know you want it.
You want my penis in your butthole, getting harder and harder.

My penis in your butt it feels so good.
I take it out and put it in your mouth.
My dick is covered in your poop.
Come suck it off, I stick my dick in your ass again.
It is covered in precum, how are you making precum at age 7 I don't care.
Bitch I am done with you give me your 13 year old sister.
I fuck her in the anus so hard she cries and her pussy is so wet she is sweating a million gallons of vagina juice.
I fuck her so hard she dies.
I rape your underaged anus.
