Visit "[Wonder Why](#)" on [MotoLyrics.com](https://www.motolyrics.com)

show me a sign thats going nowhere
show me a road that waves goodbye
show me a place where i am someone
taking me away from this living lie

wonder walking down the streets on sunday
smoke ciggarettes and waste my time
ask where the clouds will take me someday
wanna leave reality behind

and no one wants to be like me
until im someone else
until the day they go away
ill wonder by myself

run from a world thats bringing me down

hang with the friends that get me high
follow the sign thats going nowhere
look for a road that waves goodbye

mommy tell me where im going
never knowing, never showing
take me back to times when things were easier
i wanna be a kid again
go back to days so innocent
wont sunday streets please take me far away

wonder walking down the streets on sunday
