I need to leave this town behind
The time is now the time is right
I'll think about a new place to live
Bored again in my simple boring life

I think I need a grip
I think I need a grip on life
I think I need a tip
I think I really might
Take my pictures off your shelf

Every thing is so redundant
Go ahead now save yourself
I'll help you with my kung fu grip

I'm caged in with no bars
I need to leave for at least one day
I'd leave everything behind
Wish I had the time to run away

Chorus 2x
