Did you get the letter I sent you?
Wrote with blood, I bleed from my heart.
Sealed with my endless sorrow.
Please reply to my recent crys for help.

I need to * Leave this place behind
Look in the mirror and see happiness in my eyes.
Find a place, I can call my home.
To a place where the streets are paved with gold.

Did you get the postcard I sent you?
See this picture, of this lonely town?
All these problems aren't new to me.
But they'll all be solved cause I'm leaving now.

Smell of booze, empty bottles.
A wall full of, all my idols.
As my mind is burning to the ground.
Can my idols fucking save me now?

So sorry I'm leavin, I'm running away.
Beleve me I'm leaving, theres no hope for me.

So sorry I'm leaving, I'm running awayy.
Theres no hope for, Theres no hope for.
There is no hope for me.
