The stars are bright  
A perfect night  
Nothing on earth can ruin this moment  
I look in your eyes  
Under starlight  
It's so perfect  
Were so perfect\*t

Your eyes  
They look so nice  
When they shine off the reflection of the stars  
I hold your hand  
Like your biggest fan  
It's so perfect  
Were so perfect

My heart is racing  
Because that look in your eyes  
Were all alone now  
And were staring at the sky  
It's like a dream  
I can't describe the way I'm feeling  
The glow the moon sent  
The stars were perfect  
Nothing on earth can ruin this moment  
My heart is racing  
Because that look in your eyes  
Were all alone now  
And were staring at the sky  
It's like a dream  
I can't describe the way I'm feeling  
The glow the moon sent  
The stars were perfect  
Nothing on earth can ruin this

My heart is racing  
Because that look in your eyes  
Were all alone now  
And were staring at the sky  
It's like a dream  
I can't describe the way I'm feeling  
The glow the moon sent

The stars were perfect  
Nothing on earth can ruin this moment
