Fish me from the bottom of this endless lake
Clean me off, and gut me dry
Take my insides and everything I swallowed
Give them to my mom to display for the house
Hope my family will remember me.

Every lonely funeral, and every wasted dream
Dedicate them all, in memory of me
Cause you can take you life, and i'll just take mine
You can take everything, but you'll never take my
dreams
Save me from this burning house
My body's hanging, my heart is dangling
take my limbs and all my ashes
Give them to my mom to display for the house
Hope my family will remember me

2x
Every lonely funeral, and every wasted dream
Dedicate them all, in memory of me
Cause you can take you life, and i'll just take mine
You can take everything, but you'll never take my
dreams
