Don't look away
Darling you've changed
Twenty years today
You walked away
Honey, I've been lost since that day
Honey I'll try

I won't say you look the same
You're beautiful more today
Twenty years I've waited
For you to come unsafe
Honey, I'm much stronger today
Honey, I'll try

Dry your eyes and see
Yours I swear I'll keep
Honey, you'll be safe here with me
Honey I'll try

I'll try, I'll try, I'll try, I'll try

No more doubt, no more pain, no more filth
