(Intro)

We, we, we, we, we, we, we, we, we, we, we,
We don't give a.

(First Drop)

(F.E.I.)

Oski!
Transforma!
F.E.I!

(Verse)

They say blondes are more fun
So I told her I don't believe it
Reverse psychology
Now she won't leave me
Now she wanna eat me
We smoking like hippies
She whispers come lick me
So I lick it, lick it
Five full of lickies
Room full of titties
Pussy everywhere I go
And the weed really sticky
These niggas really picky
The bitches all picky
The pictures show I'm freaky
Best head was from Nicky

(Breakdown)

Fuckin' pumpin' Biggie
Yeah she started on my pinkie
Teasing sucking licking then I started the unzipping
(Zip)
Touching, feeling, squeezing
Told her friend come squeeze it
Bitches out and hoes in

Slap my dick on their nose ring
Tongue out, put that hose in
Getting head while I be rolling
From a dumb bitch that likes swallowing
That's my type so I'm following
As long as they suck I love all of them
They got tricks I can't get bored of them
She got ass but no brains, but then she get some
knowledge
The way she go down it's like Shorty went to college.

(Second Drop)

Bitches out, hoes in;
Slap my dick on their nose ring!

(Third Drop)
