URAH!

Yea! Ahahah, you fucking failure  
You are disgraced!

(Oh my god, this music is just fucking stupid! )

Well go and listen to your god damn  
Your goddamn sick fucking waste  
You never showed the face of sin?  
Let's game, we're sure to show you the fame  
Turn up, with a switch blade, untamed,  
For the sake of principal let's figure insane  
Oh god!

So fuck everything you are  
Cause I will be the greatest of all  
The greatest of all!

I don't give a damn, I don't give a damn  
What you think about me  
I don't give a damn, I don't give a damn  
What you think about me

Ahahaha, well do you think you could face me?  
Let me see what you've got! Go!

You motherfuckers are a waste of my time  
These gun shots align, contract, with the skill of a  
Million soldiers, I viciously kill to take what's mine  
I'll bring hell to your doorstep  
The fall of grace aligns, I can't stop this time  
I'll be the fall of this century and you'll see  
You were wrong to be my enemy and I'll

Choke you out!  
I'll choke you out!  
You'll never knew what hit you  
You'll never knew what hit you

I don't give a damn, I don't give a damn  
What you think about me

I don't give a damn, I don't give a damn  
What you think about me

Fuck everything you are  
I will believe in me  
Who gives a fuck,  
About what you have to say?

Ahaha, oh! Oh god, oh god  
Fuck you  
Fuck you!
