I know it's time!  
Get up and lose yourself again  
Shut up and listen to this sin  
It's already the time, it's already the time  
Get up now let's get fucked up!

Oh shit, it's the time to lust!  
Oh shit, it's the time to fuck!  
Oh shit, it's the time to lust!  
Oh shit, it's the time to fuck!

If we want it we get it  
Somebody rip up the ceiling  
Or face the taste of the unsung gods

Get up and lose yourself again  
Shut up and listen to this sin

That run this show

Oh shit, it's the time to lust  
Oh shit, it's the time to fuck  
Ahahaha, yeah!

Get up and lose yourself again  
Shut up and listen to this sin  
It's already the time, it's already the time  
Get up now let's get fucked up!

We are too far to save now  
So run from this fate before it locks you down  
We are too far to save now  
So run from this fate before it locks you down

Run from this fate before it locks you down  
Before it locks you down, down

Oh shit, it's the time to lust  
Ahahaha, yeah!  
Oh shit, it's the time to fuck  
It's the time to...
