Someone is takin' your love, it's true, isn't it?
It's not just talk that I hear
And when I see her build her world around it
I know the end is near

You tell me that I'm wrong
And it's all in my mind
You've known all along
And it just makes my blood run wild
And I'm dyin'

So I'm back, I'm back on the street
Yes, I'm back to find somebody new
Yes, I'm back, I'm back on the street
Now I'm back, and I'm over you

You took my love and all that I lived for
I see it in your eyes
And when I see you walkin' out that door now
Another part of me dies

It's time to run and I know it's the sorta
Feelin' is gone
And I won't be hurt anymore
And I'm not gonna fall

So I'm back, I'm back on the street
Yes, I'm back to find somebody new
Now I'm back, I'm back on the street
Yes, I'm back, and I'm over you

You tell me that I'm wrong
And it's all in my mind
You've known all along
And it just makes my blood run wild
And I'm dyin'

So I'm back, I'm back on the street
Yes, I'm back to find somebody new
Yes, I'm back, I'm back on the street
Now I'm back, and I'm over you
