I'm coming home this Christmas eve
I call you up to see
If you're coming over, then it's over
Your peppermint breath on my cheek
Is the only mint I need
And I'm excited to try it
And I'm waiting so impatiently

For the sweet taste of your kiss
From your candy cane lips
I, I just can't miss
And I wanna live under the mistletoe
Follow your footsteps in the snow
And I know, coming home, home with you tonight

Just like a plane I am taking flight with you tonight
Just wrap your legs around mine like the red and white
And I'll keep you warm like a holiday sweater
And in this weather we're still together
Whether or not we're steady or not
'Cause I'm still waiting so impatiently

For the sweet taste of your kiss
From your candy cane lips
I, I just can't miss
And I wanna live under the mistletoe
Follow your footsteps in the snow
And I know, coming home, home with you tonight

And now I'm unwrapping you
(And I'm taking off that dress)
And now you're unwrapping me
(We save the best for last)
You're the most important gift to me

All I want is just the sweet taste of your kiss
From your candy cane lips
I, I just can't miss
And I wanna live under the mistletoe
Follow your footsteps in the snow
And I know, coming home, home with you tonight
