What's it gonna take to wake me up  
From this black hole I've been living in?  
I see my body shake, it's tensing up  
My vitals won't be givin' in.

Wake me up.

(Whoo-oo) I've found what I've been missin' lately.  
(Whoo-oo) It's the reason why my heart's been racing.  
It took a car crash to turn it around,  
I've figured it out- that I don't have it down.  
(Whoo-oo) I gotta get my feet back on the ground.

(Ba da da da dada)  
(Ba da da da dada, da da)  
This isn't at all what I expected-  
To be stranded, drifting all alone.  
How can I stay cool, calm, and collected  
When my world's been turned and overthrown?

All I can remember was the brake lights flashing,  
The sound of the crash, and gasping for air.  
It begs the question:  
Is this the end?  
My last impression:  
The end of the world.

Wake me up.

(Whoo-oo) I've found what I've been missin' lately.  
(Whoo-oo) It's the reason why my heart's been racing.  
It took a car crash to turn it around,  
I've figured it out- that I don't have it down.  
(Whoo-oo) I gotta get my feet back on the ground.

The lights and sounds,  
They are getting closer now.

As they surround,  
I realize I will make it out.  
And as they pull me from the wreckage,  
The stretcher's coming, it's just what I need.

Wake me up.  
And it's obvious...

(Whoo-oooh) I've found what I've been missin' lately.  
(Whoo-oooh) It's the reason why my heart's been racing.  
It took a car crash to turn it around,  
I've figured it out- that I don't have it down.  
(It took a car crash to turn it around.)  
(Whoo-oooh) I've found what I've been missin' lately.  
(Whoo-oooh) It's the reason why my heart's been racing.  
It took a car crash to turn it around,  
I've figured it out- that I don't have it down.  
(It took a car crash to turn it around.)  
(Whoo-oooh) I finally get my feet back on the ground.
