It's gonna be a damn rough night
For the designated driver
'Cause it's me and whoever and you know we won't
remember

Sorry for what I'm about to do turning 21 is a bitch to go
through

Before we take a drink let's toast to the "never have I
ever"s
'Cause tonight is the night that we'll talk about forever
So take my keys and hide my cell phone
If I turn into trouble, at least I warned you

Let's recap and get caught up
No one said enough's enough I let go the better part of
me

I guess I had a damn rough night
I'm still piecing it together
There's a girl in my bed and I haven't even met her
I had a damn rough night and I can't even remember
Threw my clothes in the fire and I turned into a stalker
Sorry for what I'm about to do
Turning 21 is a bitch to go through
All these crazy things we do
Turning 21 is a bitch to go through

I heard I was a big chaotic mess
At the occasion was a total disaster
And now I'm fading faster
I'll keep the score never realized
So I pass the time until I feel alive
And I am not like this all the time let's
Recap and get caught up
No one said enough's enough
I let go the better part of me

I guess I had a damn rough night
I'm still piecing it together
There's a girl in my bed
And I haven't even met her

I had a damn rough night
And I can't even remember
Threw my clothes in the fire
And I turned into a streaker
Sorry for what I'm about to do
Turning 21 is a bitch to go through
All these crazy things we do
Turning 21 is a bitch to go through

And if I had the chance you know I'd do it all again (id
do it all again)
And if I had the chance you know I'd do it all again

Looks like I had a damn rough night
I'm still piecing it together
There's a girl in my bed
And I haven't even met her
They say I had a damn rough night
And I can't even remember
Threw my clothes into the fire
And I turned into a streaker
Sorry for what I'm about to do
Turning 21 is a bitch to go through
All these crazy things we do
Turning 21 is a bitch to go through
Sorry for what I'm about to do
Turning 21 is a bitch to go through
All these crazy things we do
Turning 21 is a bitch to go through
Is a bitch to go through
