Hey what's your name, what's your story?
I've been watching you all night
And I've been ashamed, yeah
But don't you worry I've been catchin' your eyes with
mine
Let's get away, forget tomorrow
And just cast our cares aside
And as today becomes tonight
I hope you're ready, ready for this ride

Cause it's a race against the clock tonight
But it don't stand a chance, cause we're stoppin' time
We never felt more alive
Oh, we're rockin' this momentum goin' ten fold
We're doin' alright
We're doin' alright, yeah

Just so you know
There's no guessin' on just where we could end up
Let's next the phones
Cut off from everyone
I'm with you and that's enough
Let's make it rain
I've got no money but this credit card works fine
And as today becomes tonight
I hope you're ready, ready for this ri-i-ide

Cause it's a race against the clock tonight
But it don't stand a chance, cause we're stoppin' time
We never felt more alive
Oh, we're rockin' this momentum goin' ten fold
We're doin' alright
We're doin' alright
We're doin' alright
We're doin' alright

Cause it's a race against the clock tonight
But it don't stand a chance, cause we're stoppin' time
We never felt more alive
Oh, we're rockin' this momentum goin' ten fold
We're doin' alright tonight

But it don't stand a chance, cause we're stoppin' time
We never felt more alive
Oh, we're rockin' this momentum goin' ten fold
We're doin' alright, yeah
We're doin' alright, yeah
