They say the beat of a butterfly's wings can set off a  
storm in the world away  
What if the ride in the smallest things can power the  
strongest hurricane  
What if it all begins inside  
We hold the key to turn the tide

Just a pebble in the water  
Can set the sea in ocean  
A simple act of kindness  
Can stir the widest ocean  
If we show a little love  
Heaven knows what we could change  
So throw a pebble in the water and make a wave  
Make a wave

The single joy's to take and stand  
You touch your hand with someone in need  
(Help somebody)  
Don't fool yourself and say you can't  
You never know what can grow from just one seed  
So come with me and seize the day  
This world may never be the same

Just a pebble in the water  
Can set the sea in ocean  
A simple act of kindness  
Can stir the widest ocean  
If we show a little love  
Heaven knows what we could change  
So throw a pebble in the water and make a wave  
Make a wave

Make a wave  
Yea yea yea yea yeahhh  
(Show a little love make a wave seize the day)  
Make me a wave  
(Make a wave yeahh)  
Make a wave  
Heaven knows what we could change  
So let's show a little love

You never know what we can change  
Throw a pebble in the water  
Make a wave  
(Make a wave)
