Grand Pub'.. Scaramanga Shallah.. Sadat X  
Bout to hit this, word up

[Grand Puba]

Once the Grand spread his stuff, pockets fluff like Jiffy  
Puff

"Inside Stuff," Ahmad Rashad know I keep it rough  
Blazin for the two-cen' and after black  
Once I spit the half to that, shorties form a line at the  
welcome mat

Godly ways and action be fo' yo' satisfaction  
Chicks feel me like attraction, move shoes like Foot  
Action

Justice Cypher Born be to leave the mic torn  
Rhyme flow vibrates and kill flow like radiation  
You know the deally, watch me flip it on the really  
Once the God begin to bomb it, all beware Haji comet  
Plain and simple, I shine like a iced out Presidential  
Gold fronts be the dental as I smack you in the mental  
Deadly flows that I use'll bust a vein in your temple  
I go back like a rental  
He Allah Justice Islam for the fam  
Got no problems to hit you all with the plan

Chorus: Sir Menelik (repeat 2X)

7XL, the Gods live well, cash clientele  
Checks out the mail, sippin Guinness while  
flippin bidness well, in a tailor made whip  
Accelerate, make papes while we marinate

[Sir Menelik]

With mad game I kick the King Verbal, God Wisdom  
Cypher Seven Twenty built two circles, it's no  
fabrication  
Chicks with bricks, catch the sensation  
Spectacular interaction, my raps capture your  
fascination  
Still I maintain finesse, explain in text, train the best  
Troopers usin telekinetic prophetic maneuvers  
to gain blessin, Puba, Sir Menelik, Sadat assemble

the rock tight, collaboration  
One physical jewel formed to the fill the manifest, dest'  
Jehovah's Knight, give the devils stressed out  
Spark up remarkably, live palatial, gems glacial  
Ladies stay in my facial labels pay to keep me laced  
Sports the short fade, paid suede soft butter Avirex  
Turbotron don intellect, mental flex connects aspects  
Got cream like NASDAQ, so to competition don't be  
abstract  
The Extra Large mack reacts

Chorus

[Sadat X]

Her black panties up the antes which was well spent on  
There was cash bent on for porn, latex worn  
It's on, sting like a thorn in the morn' for self-guilt  
and think about the ass you kilt  
From one stone, great cities was built  
We're terrorists with a twist, Menelik, you must know  
this!

The Brand Nubian name, will live long in the annals of  
fame

And if she say she don't get down well that's game  
She ran the same shit yesterday with bird from what I  
heard

Over on Eighth Ave or up at the Tomb  
What's a nigga to assume, if you lead me to the room?  
It ain't all cool, I'll still wild and pee in the pool  
Then cap a fool from a thing that was in high school  
I'm international, passport, onslaught with flyer mouths  
The red lights of Amsterdam, exotic chicks from  
Surinam  
Haha, Great X

Chorus

[Menelik] 7XL \*echoes\*
