Verse

Everybody's headed for the dancefloor  
See there's a party going on tonight  
Place is here and the time is now  
So come on groove bring your friends and let's all get  
down  
Now don't be shy just go with the flow  
Let your body groove to the tempo  
Side to side back and forth to the beat  
Everybody get on up and dance with me  
Yea

Chorus

(Tonight)I just wanna dance with you baby  
(Tonight)I just wanna groove with you honey  
(Tonight)I just wanna dance with you girl  
(Tonight)

(Tonight)

Verse

Feel the music and clap your hands  
Don't worry 'bout a thing just enjoy the jam  
(Everybody get on down everybody get on down)  
Move your body all around  
There's no rules it's all you just do what you like  
Now if you'd excuse me there's some girls I gotta meet  
tonight  
Yea

Chorus

(Tonight)I just wanna dance with you baby  
(Tonight)I just wanna groove with you honey  
(Tonight)I just wanna dance with you girl  
(Tonight)

(Tonight)

Hook

Give me your hand,just do me a favor and say you'll

dance with me  
Play my favorite songs for you all night long  
Come on and party with me

(Tonight)
