I know it's over
You know its over
We're just goin' through the motions
But we're sailing separate oceans worlds apart.
And you know it's breakin' my heart.

I was a dreamer
You were a dreamer
But perfection is consuming
And it seems we're only human after all
And we've both been heading straight for a fall.

(Chorus)
But tomorrow
We'll run a little bit faster
Tomorrow
We're gonna find what we're after at last
Feelings that we left in the past
There's romance in the sunset
We're boats against the current to the end.

Maybe we're older
Maybe we're colder
So we disregard solutions
While we cling to our illusions once again
And we keep rememberin' when.

Seasons are changing
Reasons are changin'
But the story isn't ending
So we find ourselves pretending one more day
And the years keep slipping away....

(Chorus)
