I set to sea on a ship called Emptiness
Cast away on the island of Loneliness
Lookin' for love, oh and I was lookin' for love
I didn't think she could hear my S.O.S.
But she appeared like an angel of tenderness
SEnt from above, oh and she was bringing me love.

(Chorus)

Oh mama, she did it
Woh momma, she did it, yeah, etc.

Looking back, making love was meaningless
'Till she touched me with her warmth
And a gentless I'd never known
Ooh, and she was guidin' me home
Now I see all the things in life I missed
'Till she opened up my eyes to the limitless
Wonder of love, oh and now I'm ready for love.

I never new what love was about
'Till she came and stole away my heart.
Now I'm alive and I know it
And all I ever wanna do is show it.
Ooh...
