We'll go away in the sailin' away

Away we'll go

Blow me high an' low,

For many an' many a long long day.

For many an' many a long long day!

The people who live inland

Are hard to understand

When you're lookin' for fun

They clap you into jail!

So I'm shippin' off to see

Where life is gay an' free.

An' a fella can flip a hook

In the hip of a whale.

Blow high, blow low,

Away then we will go

We'll go away in the sailin' away

Away we'll go

Blow me high an' low,

For many an' many a long long day.

For many an' many a long long day!

It's wonderful just to feel

Your hands upon the wheel,
An' listen to wind a-whistlin' in the sail
But I'm climbin' off to be
The very first to see
A corset woman's spout
Come out o' the snore of a whale
Blow high, blow low,
Away then we will go
We'll go away in the sailin' away
Away we'll go
Blow me high an' low,
For many an' many a long long day.
For many an' many a long long day!
A-rockin' upon the sea, your boat'll seem to be
Like a dear little baby in her bassinet.
For she hasn't leaned to walk,
An' she hasn't learned to talk,
An' a little behind is kind of inclined to be wet.
Blow high, blow low,
Away then we will go
We'll go away in the sailin' away
Away we'll go
Blow me high an' low,
For many an' many a long long day.
For many an' many a long long day!
