Julie

I ain't scared!

Billy

Is that your name Julie, Julie, hmm hmm, somethin'?

Julie

Julie Jordon-

Billy

You're a queer one, Julie Jordan,

Ain't you sorry that you didn't run away?

You can still go if you wanna,

Julie

I reckon that I care to choose to stay!

You couldn't take my money if I didn't have any

And I don't have a penny, that's true.

And if I did have money,

You couldn't take any

'Cause you'd ask an' I'd give it to you!

Billy

You're a queer one, Julie Jordan,

Have you ever had a fella you give money to?

Julie

No!

Billy

Ain't you ever had a fella at all?

Julie

No!

Billy

Well, you must have a fella you went walkin' with

Julie

Yes!

Billy

Where'd you walk?

Julie

Nowhere special I recall-

Billy

In the woods?

Julie

No!

Billy

On a beach?

Julie

No!

Billy

Did you love him-

Julie

No, I've never told you anyone, I told you that.

Billy

Aha! You're-Your're a funny kid!

Hey, you wanna go to town dance maybe or...

Julie

No! I have to be careful!

Billy

Of what!

Julie

Of my character... You see, I'm never gonna marry.

I'm never gonna marry if I was gonna marry,

I wouldn't have to be such a stickler.

But I'm never gonna marry,

And a girl who don't marry

Has got to be much more partic'lar

[They Laugh]

Billy

Ah ah ah-

Hey s'ppose- s'ppose I was to say that I would marry
you, hmm?

Julie

You!?!

Billy

Oh, that scared you, hmm?

Then you are thinkin' 'bout what the cop said!

Julie

No, I ain't, I never paid no mind of what he said!

Billy

But you wouldn't marry a smear like me, would you?

Julie

Yes, I would!

If I loved you... It wouldn't make no difference what
you'd-

Even if I died for it.

Billy

Well, how you know what you'd do if you loved me?

How you'd feel or anythin'?

Julie

I don't know how I know. Just the same I know how it'd
be...

If I loved you.

When I work in the mill weaving at the loom

I gaze absent-minded at the roof

And half the time the shuttle get tangled in the threads

And the warp get mixed with the woof

If I loved you...

Billy

But you don't!

Julie

No, I don't!
