Mr. Guder
Say! Mr. Guder
May I have a moment with you
Because there is something I've got to say
And please don't let it scare you away

Mr. Guder
Say! Mr. Guder
I have seen you go through a day
You're everything a robot lives for
Walk in at 9 and roll out the door at 5

(*) You reflect the company image
You maintain their rules to live by
Shine your shoes let's keep a neat haircut
Now that you're wearing a coat and tie

Mr. Guder
Say! Mr. Guder
Some day soon may realize
You spend your life just playing a game
Where no ones wins but everyone stays the same

Repeat (*)

Mr. Guder
Say! Mr. Guder
Some day soon may realize
You spend your life just playing a game
Where no ones wins but everyone stays the same
The sa-a-a-me

Please!
Play your game!
Stay the same!
