

Carpenters, The "Reason To Believe"

Visit "[Reason To Believe](#)" on MotoLyrics.com

If I listen long enough to you
I'd find the way to believe that it's all true
Knowing that you lied straight face
While I cried

(*) And still I look
To find a reason to believe
Someone like you makes it hard to live
Without somebody else
Someone like you make it easy to give
Never thinking of myself

If you took the time to change my mind
I could find a way
To leave the past behind
Knowing that you lied straight face
While I cried

Repeat (*)

If I listen long enough to you
I'd find the way to believe that it's all true
Knowing that you lied straight face
While I cried

Repeat (*)
