There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love
You know what I mean

Just the two of us and nobody else in sight
There's nobody else
And I'm feeling good just holding you tight

So listen very carefully
Get closer now
And you will see what I mean
It isn't a dream

The only sound that you will hear
Is when I whisper in your ear
I love you forever and ever

There's a kind of hush
All over the world,
Tonight all over the world,
People just like us have fallen in love
